HERITAGE LISTING

If your property or properties are Heritage Listed, it is important to liaise with the Heritage Council of Western Australia if you are planning any development. The requirements are:

Developments and Renovations

“Development is broadly defined in the Heritage Act as the development or use of any land, including:

- Any demolition, erection, construction, alteration of or addition to any building or structure on the land.
- The carrying out on the land of any excavation or other works.
- Any act or thing that is likely to change the character of the place or the external appearance of any building or would constitute an irreversible alteration of the fabric of any building.”

Examples of the kind of works that must be referred to the council include;

- Alterations and additions
- Construction of new buildings
- Conservation and remedial works
- Demolition
- Relocation
- Excavations
- Re-roofing
- Changes of exterior colour schemes
- Signage
- Interior works
- Subdivision/amalgamation
- Change of use

INFORMATION

Listed under publications on the Heritage Commission website you will be able to retrieve copies of information to assist the Parish in any development/renovations procedures and the involvement of the council. You can also obtain the brochures by telephone the Heritage Council on (08) 9221 4177 or at www.heritage.wa.gov.au

MUNICIPAL INVENTORIES

Municipal inventories are the local shire/council register of properties considered by the shire/council to be of significance to the history of the suburb/region.

The Diocese Risk and Compliance Manger will be able to assist you with applications for Grants for these properties and the Diocese Property Service Manager will be able to assist with general enquiries.
