ANGLICAN ECOCARE RURAL-URBAN PARTNERSHIP

EcoCare is organising an initiative to bring together rural and urban parishes. Urban parishes will be linked with a rural parish to help care for God's creation through tree planting and other activities. By replanting communal and public areas as well as church land, we will help the ecological restoration of land. This is a great opportunity to connect with other sisters and brothers in Christ, foster new relationships and overcome the city/country divide.

DISCERNMENT TO THE ORDAINED MINISTRY

In every generation, the church looks for those for whom Christ's insistent call 'disturbs their settled lives'. The Archbishop's Examining Chaplains pray that God will move the hearts and minds of many to consider discerning an ordained ministry. If there are members of your worshipping community, school or agency who might be thinking of a path to ordained ministry, please invite them to contact the Archbishop's Examining Chaplains' Committee through its Chair, the Reverend Canon Dr Philip Raymont.
