

Expenditure Items for which no Provision has been made in the Diocesan Council Budget

File #423(a)/425

Diocesan Council recognises that writing off of debts and other unbudgeted expenditure funded by drawing from reserves reduces income from reserves in future years. It is therefore appropriate that prior to making such decisions the Diocesan Treasurer's opinion and recommendation should first be obtained.

Any requests intended to be submitted to Diocesan Council that provide for expenditure in excess of \$5,000, and for which no provision has been made in the budget, must first be forwarded to the Diocesan Secretary for consideration of the Diocesan Treasurer.
