## THE WOLLASTON CERTIFICATE IN THEOLOGY

### Core unit - Introduction to the Old Testament

In the term 1 core unit, we are offering teaching from world-renowned Hebrew Bible scholar, Dr Sue Boorer, Senior Lecturer in Old Testament at Murdoch University who will present a survey of the Old Testament in eight seminars. Enrolled students will have access to the online unit, so come prepared having completed your readings and ready to learn and participate.

### Elective unit - Liturgy

This unit, taught by The Reverend Patrick King, seeks to explore the development of Christian worship, from the Jewish roots of the early church through to contemporary church life. We aim to come to a deeper understanding of liturgy in an Australian Anglican context by studying the history, tradition, spirituality and psychology of sacred worship and practice.

All units can be taken via in-person seminars, or fully online.

**LAUNCH OF THE WA DISASTER RECOVERY CHAPLAINCY TRAINING**  
The Council of Churches WA, in partnership with the WA Synod of the Uniting Church, is in the process of training a group of ministry agents to assist in the recovery of communities following disasters and emergencies within the state. This will be done with the view to form a state-wide network of pastoral carers who can engage with the community and churches beyond the initial emergency into the recovery phase, as these communities establish new beginnings. This network will be known as the WA Disaster Recovery Chaplaincy Network (WA DRCN).  
Similar networks operate through every state and territory in Australia (currently with the exception of WA and Queensland) and are gathered into a national body known as AVECA (Australian Volunteer Emergency Chaplaincy Alliance). AVECA is a network of the National Council of Churches in Australia (NCCA). It is anticipated that the new WA DRCN will be incorporated in the State Disaster Welfare arrangements and, even in its infancy, already has representation on AVECA.  
The three-day training course is useful for ministers and chaplains in their everyday work.  
To register you need to complete an application form and a nomination form. To receive these please contact: Simone on 0423 355 801 (between 9am - 4pm) or [simone.micke@churcheswa.org.au](mailto:simone.micke@churcheswa.org.au). They can also be downloaded from [WA DRCN documents](#)

### QUIET DAY FOR LEADERS

Specifically designed for leaders who know the value of creating reflective space, this is a mid-year opportunity to slow down, reflect on the progress of the year so far and re-clarify personal and professional priorities.

- What has been emerging in my life and vocation this year? What am I grateful for?
- How aligned is my inner purpose (direction, values) and outer life (work, family, friends, self-care)?
- What ideas are emerging which I want to continue to nurture?
- Who might be collaborators and co-creators in this journey?

If there are members of your worshipping community, school or agency who might be thinking of a path to ordained ministry, invite them to contact the Archbishop's Examining Chaplains' Committee through its Chair, The Reverend Canon Dr Philip Raymont.
